AURORA

inspired by nature

SPACE AURORA celebrates the subtlety of natural stone veins design. It is characteristically defined by near-diagonal streaks of soft vein lines brushing in one direction set against five neutral yet beguile colours - WHITE, SAND, TAUPE, ASH, and SMOKE - perfectly encapsulate the modern contemporary interior style.

The neutrally pleasing design palette breathes an air of freshness to space it dwells. In compliance to cater to a much wider range of spatial requirement, SPACE AURORA also comes in various technical surface formats such as R10 Matt, R11 Antislip, and Lapatto.
